ROMEO AND JULIET

Shakespeare's genius was at best in his creation of the marvelous characters in this play. All the very best features of dramatic composition and poetry are to be found in "Romeo and Juliet." The interest is absorbing, the pathos most deeply touching, while the humorous element, never too prominent, affords that contrast so essential to a really great drama. Simvelie's production carries all new scenery complete, properties and electric effects, and will be given in its entirety at the Washington Theater Friday, February 23d. Seats on sale at Ray's.

DR. ALEXANDER HAMILTON WALL.

Dr. Alexander Hamilton Wall died Wednesday morning, February 21st, 1906, at 9:05.

He was born in Harrison county on November 24th, 1810, and was reared in Scott and Fayette counties, graduating in the Medical Department of Transylvania University in 1831-32.

In 1834 he married Miss Elizabeth A. Smoot in this county, and located at Kentucky Bend in Mississippi.

Afterwards he practiced his profession in Scott and Bourbon counties, and in 1850, owing to ill health, he gave up his practice and purchased a farm near Mayslick, where he lived until 1880, when he moved to this city, where he lived until his death.

His wife died in 1898, and since then he and his only son have lived alone, save when visited by children and grandchildren.

He left three children, Lydia, wife of Dr. E. C. Dimmitt of Germantown; Mary, wife of Judge Lewis Apperson of Mt. Sterling, and Judge Garrett S. Wall of this city, and six grandchildren and two great-grandchildren.

He retained all of his faculties, save hearing, until the day and hour of his death, and man-

aged his farm and tenants and was a successful physician and farmer.

In 1862 he joined the Confederate Army and acted as Surgeon of Gano's Regiment in the Cavalry Brigade of General John H. Morgan, and during the last years of the war he was a Surgeon in Camp Winder Hospital, Richmond, Va.

At the time of his death he was Commander of the Joseph E. Johnston Post, Confederate Veterans.

He was at the battle of Stoe River and in many of the contests of "Morgan's Men," including the fight at Hartsville. The last years of the war he frequently served in the "Field Hospitals" after many of the battles around Richmond, Va.

He was a devout and consistent member of the Christian Church, and no man stood higher in the community for integrity and nobility of character. He was a good citizen and neighbor, a devoted husband and a kind and indulgent parent.

His father, Garrett Wall, led the "Forlorn Hope" at the battle of the River Raisin, and always contended that Richard M. Johnson killed Tecumseh.

The funeral will occur at 10 o'clock Saturday morning from the Christian Church, with services by the Rev. W. W. Hall.

The pallbearers will be Major Thomas J. Chenoweth, Dan Perrine, S. H. Mitchell, Walter Matthews, W. H. Robb and John W. Boudin—all former Comrades-in-Arms.

Interment in Maysville Cemetery.

25c Scotch Ginghams for 10c Yd

Think of it! The cream of Ginghams—genuine John Anderson 25c Ginghams for 10c yard. It doesn't take discernment to distinguish 25c from 10c Ginghams, so the most inexperienced shopper can appreciate at a glance the magnitude of this bargain.

Some of the Ginghams are slightly soiled but the quality-for-the-price compensates a hundred fold for such a trifling imperfection. There never has been such a Gingham offering in Maysville or any other place.

Don't delay buying. While the assortment is large the first to see it are sure to pick out the smartest designs and colors.

Again the Silks for 48c

Hundreds of yards of these beautiful Silks went to economical purchasers last week, but the stock was so large a broad assortment still remains. In a month or less time you'll be hunting for these silks and paying the regular price too. Then you'll hunt for a dressmaker not too busy to make them up. Today you can choose from twenty-five exquisite patterns in Crepe de Chines and Fancy Silks at 48c yard and you'll find dressmakers with ample leisure.

Tobacco Fair Visitors

Are cordially invited to call. The conveniences of our store are at their command and their welcome depends in no degree upon a purchase.

THE Kentucky Federation of Labor is all torn up because the so-called Child Labor Bill will have opposition in the Legislature. They thought all the wheels had been greased and that it would go through with a whirl.

ONE of the measures which the Legislature will probably enact into a law, is that which makes betting on racetracks highly respectable, while the same betting in a poolroom is a crime. It does take so little to ease the consciences of some people.

This is an honest man's expression. Colonel JIM ALLEN says in his *Cynthiana Democrat*—

"At Frankfort an effort is being made to attach another county to the Ninth Congressional District in order, it is alleged, to make the District safely Democratic. Elliott was suggested, but the Tenth District refused to part with her. Pendleton has been mentioned, but she, too, shakes her curls. The Democrats of the Ninth District have nothing to fear if they behave themselves, and no additional county could insure victory if the Democrats are not on their good behavior. Adding a county is a poor way to win at best. If our cause is right and the right men are honestly nominated, we will win. Let us alone."

ABRAHAM LINCOLN's first speech on the Tariff question was short and to the point. He said he did not pretend to be learned in political economy, but he thought that he knew enough to know that "when an American paid \$20 for steel to an English manufacturer, America had the steel and England had the \$20. But when he paid \$20 for the steel to an American manufacturer, America had both the steel and the \$20." That was the sum and substance of the Tariff question as he viewed it.

OUR grandfathers or great-grandfathers may have been celebrated; but they are dead. The transactions of today are with the living, and a man's merits are measured by his own worth, not that of his ancestors.

THE Courier-Journal prints pictures of three members of the Legislature—H. H. GRIFFIN of Allen, JAMES G. YADEN of Laurel and C. W. G. HANNAH of Greenup—under a big headline, "Republicans Who Have Had the Courage to Vote For Democratic Measures." That's all right; but if three Democrats should have the "courage" to vote for Republican measures, wouldn't The Courier-Journal "turn their pictures to the wall" and denounce them as traitors?

KENTUCKY ain't the whole push for once, anyway. The Supreme Court of the United States dismissed the case of the state of Kentucky v. the Mutual Security Life Insurance Company of Binghamton, N. Y., and the Travelers' Insurance Company of Connecticut, involving the Kentucky state law invalidating business licenses granted to foreign insurance companies which remove to Federal Courts suits brought against them in the State Courts. The decision was based on the ground that the licenses have now expired, thus rendering the cases moot questions. The opinion was handed down by Justice PECKHAM.

SAME KIND HERE.

A few years ago a French Canadian named Laccumb, who had been before the Police Court of Waterville, Me., at least a dozen times for drunkenness, was arrested on the charge of "pocket peddling" liquor about the circus grounds one day when one of the big shows was exhibiting in that town, says The Boston Herald. Later in the day Laccumb was arraigned before the Judge whom he had faced so many times.

"Mr. Laccumb," said Judge Shaw, "stand up. You are charged with selling one pint of whisky this day to one —. What say you, are you guilty or not guilty?" "Not guilty. D—n it, Judge, you ought to know by this time that I am a consumer, not a dealer."

Better Smoked Meat

Smoking meat by the old smoke-house process is like throwing money away. The new way of smoking it with a brush saves time, labor and shrinkage. The meat is of a better quality, too, for it retains all its juices. Everything is in favor of the modern way. If you have not tried it, get some of

Chenoweth's Liquid Meat Smoker

You'll not be making an experiment, for it has been used by others with very best results for a long time.

Business

If your printed matter is the best obtainable. The printing you use is always your business representative, and like any other salesman, should be well dressed and create a favorable impression even before an argument is advanced. The "best obtainable" costs no more than the indifferent variety—in fact, it's the cheapest, for every piece is fertile seed that will yield a harvest of customers.

DEEDS, NOT WORDS.

Maysville People Have Absolute Proof
of Deeds at Home

It's not words, but deeds, that prove true
merit.
The deeds of Doan's Kidney Pills.
For Maysville kidney sufferers,
Have made their local reputation.
Proof lies in the testimony of Maysville people
who have been cured to stay cured.
John Wallingford, living at the corner of
Commerce and East Second streets, Maysville,
Ky., says:
"I first procured Doan's Kidney Pills in 1899
at J. James Wood & Son's Drugstore, and they
stopped an attack of backache, one of many
which had annoyed me for some time. My wife
at that time gave for publication in our local
papers a statement telling of the great benefit
I had derived from Doan's Kidney Pills, and now,
some five years later, I can say that the cure
then effected has been complete and permanent.
My back and kidneys have never given me the
least cause for complaint. Mrs. Wallingford
also appreciated the value of Doan's Kidney
Pills from personal experience with them. She
suffered most acutely with backache, especially
at night, and Doan's Kidney Pills promptly and
thoroughly cured her."
